Seamless global messaging is here...

Meet ZOLEO

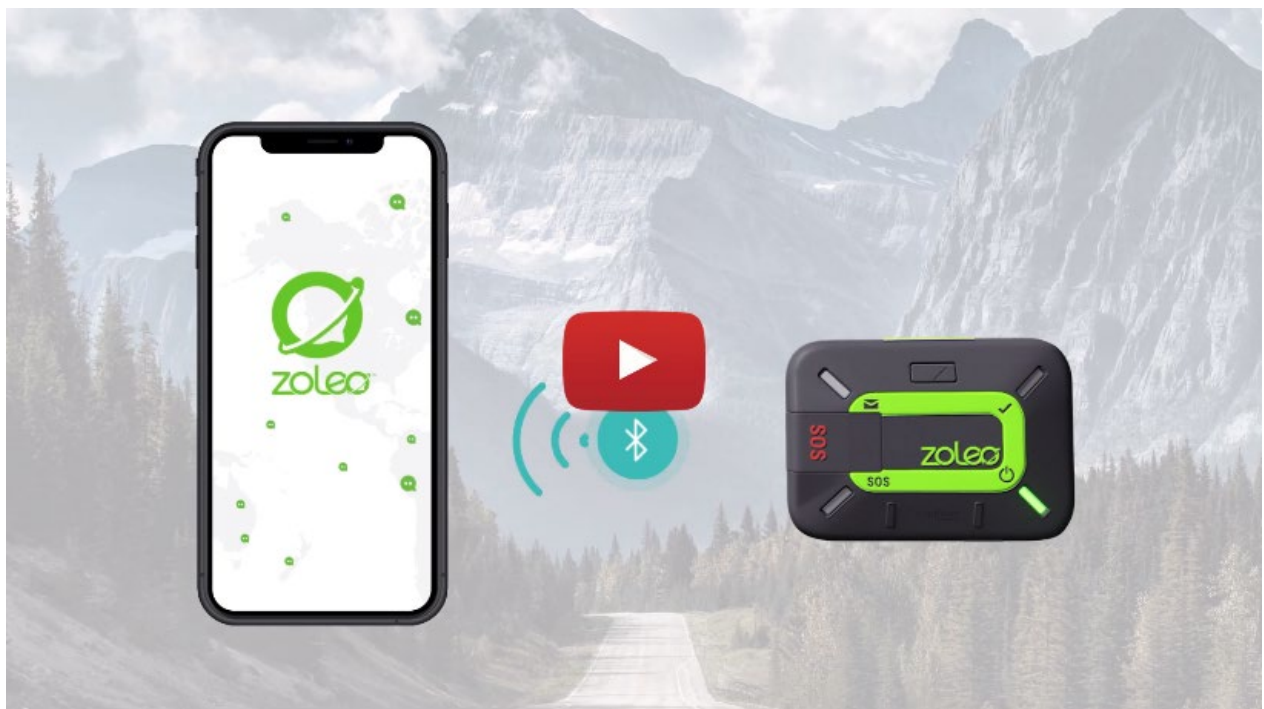

For anyone who ventures beyond cell coverage, ZOLEO offers everything you need to enjoy seamless global messaging from your smartphone or tablet, at a price you can afford. Uniquely, ZOLEO provides a truly seamless messaging experience that follows you in/out of mobile coverage. That's because only ZOLEO transmits messages via Iridium® satellite, cellular and Wi-Fi networks. You'll never miss a message again! Plus, ZOLEO offers features like progressive SOS alerting, check-in, weather forecasts, and location sharing that you can depend on for personal safety.

HOW IT WORKS

When you're beyond cell coverage the ZOLEO satellite communicator connects with the free ZOLEO App on your phone/tablet to transmit messages via Iridium® -- the only satellite network that provides coverage everywhere on the planet!

When you're within cell coverage, only ZOLEO seamlessly delivers messages via cellular or Wi-Fi. With ZOLEO, you'll always get the message, even if the ZOLEO device is turned off!

KEY FEATURES

| | |
|--|--|
| <p>SEAMLESS GLOBAL MESSAGING</p> | <p>ZOLEO works with your smartphone/tablet to extend messaging coverage to everywhere on the planet. Uniquely ZOLEO provides a seamless messaging experience as you travel in/out of cell coverage -- because only ZOLEO transmits messages via satellite, cellular and Wi-Fi -- so you can always count on your connection.</p> |
| <p>IRIDIUM CONNECTED™</p> | <p>When cellular/Wi-Fi coverage is unavailable, the ZOLEO satellite communicator connects with the app on your phone to transmit messages via the Iridium® satellite network – the only satellite network that provides coverage everywhere (no gaps!).</p> |
| <p>PROVIDES A DEDICATED NUMBER</p> | <p>Your ZOLEO device includes a dedicated ZOLEO SMS/text* number and email address that you can share with contacts, and that they'll recognize when you message them. (*A Canadian or US number is provided.)</p> |
| <p>FREE ZOLEO APP (MADE FOR IPHONE AND IPAD, COMPATIBLE WITH ANDROID)</p> | <p>The key to all the awesome features of ZOLEO including: 2-way messaging, 2-way SOS alerting, check-in, weather forecasts and location sharing. (Available from the app stores in multiple languages.)</p> |
| <p>TWO-WAY MESSAGING</p> | <p>Use the ZOLEO app to send and receive messages to/from any cell number, email address or another ZOLEO App user. Enjoy a familiar texting experience from your smartphone or tablet.</p> |
| <p>SOS ALERTING (INCLUDES 24/7 EXPERT MONITORING SERVICES)</p> | <p>Use the built-in button (or the app) to trigger an SOS alert and rest assured that the expert 24/7 emergency response coordination center is standing by. Uniquely, ZOLEO users enjoy progressive SOS alerting. Upon activating an SOS alert, ZOLEO users can exchange messages with the response center and receive step-by-step updates throughout the incident via the free ZOLEO app. If your situation changes, you can easily cancel the SOS via the app or device. (Active subscription required to transmit SOS.)</p> |
| <p>WEATHER FORECASTS</p> | <p>Get accurate, hyper-local Dark Sky™ weather forecasts for your location. Each forecast includes detailed forecasts for the next 36 hours, and daily forecasts for five (5) days.</p> |
| <p>CHECK-IN</p> | <p>Use the built-in button (or the app) to check in with one press and let others know you're okay.</p> |
| <p>LOCATION SHARING</p> | <p>Include your GPS coordinates in any message to share your location.</p> |
| <p>LOCATION SHARE+ (ADD-ON SUBSCRIPTION)</p> | <p>Share your location with check-in contacts, on a selected interval from every 6 minutes to 4 hours. You and your check-in recipients will be able to use the free ZOLEO app to view the current location and breadcrumb trail on a map. Start/stop location sharing any time, and also download maps for use offline. Location Share+ is an optional add-on subscription, that includes unlimited location and check-in messages! (Additional charges apply; can be cancelled any time. For pricing details visit zoleo.com/plans.)</p> |
| <p>COMPACT, DURABLE DESIGN</p> | <p>The ZOLEO satellite communicator provides superior shock-, dust- and water-resistance, so you can depend on it in extreme environments and under harsh conditions.</p> |
| <p>LONG-LASTING BATTERY</p> | <p>The internal, rechargeable Lithium-Ion battery offers 200+ hours of battery life (checking messages every 12 minutes).</p> |
| <p>MONTHLY SUBSCRIPTION PLANS</p> | <p>ZOLEO monthly plans ensure you enjoy more messaging value for your dollar, plus the convenience of making changes online or temporarily suspending service when needed. For details visit zoleo.com/plans.</p> |
| <p>ACTIVATE ONLINE</p> | <p>Your online ZOLEO account makes it easy and convenient to activate your ZOLEO device, select/change monthly plans, suspend service temporarily, view invoices and more. To activate visit zoleo.com/activate.</p> |

ZOLEO Mobile App

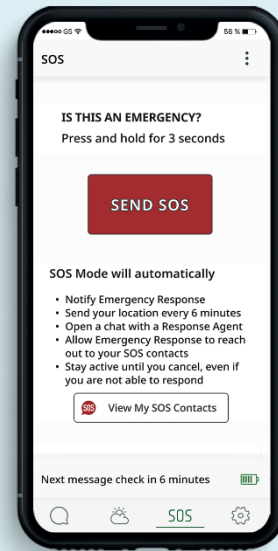

The free ZOLEO App is the key to all the awesome global messaging and safety features that ZOLEO offers. Your contacts can also use it to message you (they don't need to own a ZOLEO device to message you using the app). Messaging app-to-app enables you to exchange messages of 950+ characters, and you'll get their message even if your ZOLEO device is being used by someone else, or is turned off.

GLOBAL MESSAGING

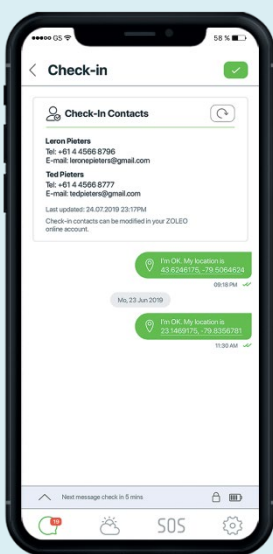

Send and receive text, email or app-to-app messages anywhere -- in the backcountry or around the globe! (SMS up to 160 char., email up to 200 char., app-to-app 950+ char.)

SOS ALERTING

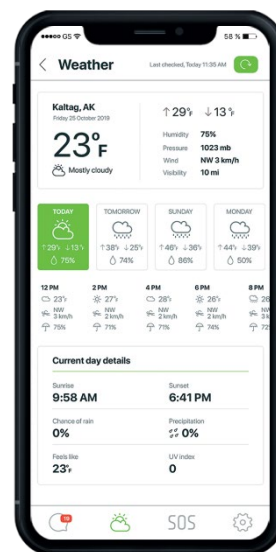

In an emergency, trigger an SOS alert and rest assured the 24/7 emergency response coordination center will respond. You'll be able to exchange messages and receive step-by-step updates throughout the incident. SOS alerts can also be canceled.

CHECK-IN

Check in to let others know that you're okay. With one press you can send a check-in message (include your GPS location coordinates if you want to).

WEATHER FORECASTS

Be prepared. Get accurate, hyper-local Dark Sky™ weather forecasts wherever you are. Each forecast includes current conditions, detailed forecasts for the next 36 hours and daily forecasts for five (5) days.
